# Past Work (2019-2021)

- Major Challenge: Get the project rolling
- Business Continuity
  - Deliverable D8.12 on BC recommendations, S7 framework
- Awareness
  - Cyber Security Months '19, '20, '21
  - General Awareness framework and materials
- Training
  - Deliverable D8.5

CSM 2019	CSM 2020	CSM 2021
6 NRENs involved	19 NRENs Involved	27 NRENs Involved
7 articles published	41 articles published	36 articles published

## Current Work (2022) – Business Continuity

- Set of documents (toolkit) for BC implementation
  - Crafted NREN Z
  - Until early spring
- Game creation
  - Idea is to reuse a well known card game, retheme it on ITSEC
  - Not a virtual, but a physical game
  - To be prepared in spring and summer
  - To be distributed to NRENs during CSM '22
  - Need to balance fun, training, awareness and validity

## Current Work (2022) - Training

- Last module ended in January
  - No new modules scheduled
  - Current demand of NRENs (former participants) is evaluated
  - An idea: Forensic tools
- 
- Survey url: <https://www.surveymonkey.co.uk/r/9TL62T7>

## Current Work (2022) - Awareness

- Cyber Security Month 2022 in October
- Helping others to raise awareness
  - Promoting toolkit
  - Workshops on how to raise awareness

## Future Work (2023-)

- Awareness
  - Repeat Cyber Security Month campaigns
  - Helping others in raising awareness
- Resilience
  - Business Continuity preparations in depth:
    - Incident Handling, Testing, BIA, BCM, ...
    - Updated BC recommendations
  - Updated and new Training sessions
- Compliance
  - Regulations and directives: GDPR, ePrivacy-R, NIS2
    - But that is sort of legal counselling...
  - Focus on EU?
- Collaboration between tasks and/or subtasks
