

2nd Telemetry and Data Workshop

Report of Contributions

Contribution ID: 1

Type: **not specified**

Introduction

Wednesday, 6 April 2022 11:00 (5 minutes)

Contribution ID: 3

Type: **not specified**

Conclusion and wrap-up

Wednesday, 6 April 2022 15:40 (20 minutes)

Contribution ID: 4

Type: **not specified**

Streaming telemetry

Wednesday, 6 April 2022 11:05 (15 minutes)

SURF - Max Mudde

Session Classification: Traditional and Streaming telemetry

Contribution ID: 5

Type: **not specified**

A year in the life of BRIAN

Wednesday, 6 April 2022 11:20 (15 minutes)

GÉANT - Keith Slater

Session Classification: Traditional and Streaming telemetry

Contribution ID: 6

Type: **not specified**

Traditional vs Streaming telemetry - High speed monitoring example

Wednesday, 6 April 2022 11:35 (15 minutes)

Jisc - Tim Chown

Session Classification: Traditional and Streaming telemetry

Contribution ID: 7

Type: **not specified**

Discussion

Wednesday, 6 April 2022 11:50 (10 minutes)

Session Classification: Traditional and Streaming telemetry

Contribution ID: 8

Type: **not specified**

In-band Network Telemetry using Data Plane Programming

Wednesday, 6 April 2022 13:00 (20 minutes)

GARR - Mauro Campanella

Session Classification: Telemetry approaches

Contribution ID: 9

Type: **not specified**

Time synchronisation in programmable device

Wednesday, 6 April 2022 13:20 (15 minutes)

CESNET - Tomáš Martínek

Session Classification: Telemetry approaches

Contribution ID: **10**

Type: **not specified**

Microdep-based network analysis

Wednesday, 6 April 2022 13:35 (15 minutes)

SIKT - Otto Wittner

Session Classification: Telemetry approaches

Contribution ID: 11

Type: **not specified**

Discussion

Wednesday, 6 April 2022 13:50 (10 minutes)

Session Classification: Telemetry approaches

Contribution ID: 12

Type: **not specified**

RNP - new initiative about data sharing

Wednesday, 6 April 2022 14:20 (15 minutes)

RNP- Marcos, Michale Prieto Hernandez

Session Classification: Sharing monitoring and measurement data

Contribution ID: 13

Type: **not specified**

Sharing data via perfSONAR

Wednesday, 6 April 2022 14:35 (15 minutes)

Andy Lake

Session Classification: Sharing monitoring and measurement data

Contribution ID: 14

Type: **not specified**

Global Research Map

Wednesday, 6 April 2022 14:50 (15 minutes)

GlobalNOC - Dan Doyle

Session Classification: Sharing monitoring and measurement data

Contribution ID: 15

Type: **not specified**

Data protection and data sharing

Wednesday, 6 April 2022 15:05 (15 minutes)

Jisc - Andrew Cormack

Session Classification: Sharing monitoring and measurement data

Contribution ID: 16

Type: **not specified**

Discussion

Wednesday, 6 April 2022 15:20 (20 minutes)

Session Classification: Sharing monitoring and measurement data
