

## **60-min deep-dive: Network Infrastructure and Services Roadmap**

*Thursday, 14 December 2023 11:00 (1 hour)*

This session is organised jointly by WP6 and WP7 to present and discuss with the audience current activities and future plans related to network infrastructure and services planning, development, operations and maintenance. Starting with a summary of the discussions and conclusions of the Network Evolutions Study Workshops and the CTO workshop, it will look ahead into the second year of the GN5-1 project and beyond.

**Presenters:** PEETERS, Bram (GÉANT); GOLUB, Ivana; USMAN, Mian; VULETIC, Pavle
