

A2: Commercial providers in my WP or Task? Procurement is not as difficult as you think!

Tuesday, 12 December 2023 09:00 (1h 30m)

Do you need services from commercial suppliers in your project? You probably need some form of Procurement to get the services you need. Using examples from WP4 and IC1 you're (further) introduced to procurement. After this session you know where to get support and you learned procurement can be fun.
