

B4: Time-Frequency Incubator

Tuesday, 12 December 2023 11:00 (1h 30m)

The purpose of this side meeting is to present the results of the WP6 time-frequency incubator. In GN5-2, GEANT is planning to invest in building time-frequency links between European NMIs to meet the vision of the CLONETS-DS. The incubator is currently working on a T/F business case and design.
