B7: Trust and Identity Incubator

Tuesday, 12 December 2023 11:00 (1h 30m)

The Incubator task (WP5 T5) works on four different projects in the area of T&I. At the time of the Symposium, it is almost halftime for these projects and want to discuss the next steps with the team and our stakeholders. We would prefer a meeting on Tuesday afternoon, if possible.

Presenter: SCHMIDT, Michael (Leibniz Supercomputing Centre)
