

## **D5: WP4 all-hands and Above-the-Net planning**

*Tuesday, 12 December 2023 15:30 (1h 30m)*

In-person meeting time is worth its weight in gold for our distributed project work. The Symposium is a huge opportunity for personal engagement and coordination. We therefore apply for a side meeting for the WP4 Above-the-Net activity team, to gain the benefits of personally meeting as many as possible, to align our group for coming work, and to have practical work time for the big tasks coming in early 2024.
