

CLAWHAMMER –One Tool To Rule Them All

Wednesday, 10 April 2024 15:55 (5 minutes)

CLAW is the crisis management workshop held annually in person and online (so two events, each every year). Since lockdown drove us into the online world, we had to adapt and develop a tool that supports a crisis exercise done online. While the idea back then was “We just need this for the one online edition, we’ll do during COVID and then NEVER AGAIN”, we couldn’t be much more wrong...
